

One Year Limited Warranty

Hollywood Controls Inc ("the Company") warrants the HC1200BS PowerBlaster Strobe against defects in material or workmanship for one year from date of original purchase. The Company, at its option, will repair or replace the components and return them to you free of charge.

This warranty is extended only to the original purchaser on record with the Company.

Your remedy is limited to this warranty policy. This warranty only covers product failure that occurs due to defects in material and workmanship occurring during the normal expected use of the product. It does not cover damage caused by accident, misuse, abuse, lack of reasonable care, alterations or improper installation.

There are no expressed warranties except as described above.

THE COMPANY SHALL NOT BE LIABLE FOR INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF THIS WARRANTY. ALL IMPLIED WARRANTIES, IF ANY, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE DURATION OF THIS EXPRESS WARRANTY. Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above exclusions or limitations may

not apply to you.

No other warranty, written or verbal, is authorized by the Company. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

For service during the warranty period you must first contact the Company for an Return Merchandise Number (RMA) number. The Company will help you determine which part requires service and ask that you return that component ONLY. The Company, at its option, will repair or replace the components and return them to you free of charge. All returned components must be accompanied by a RMA number issued by the Company and be returned by insured prepaid freight. Products returned without a Company issued RMA will not be accepted. The Company is not responsible for merchandise damaged in transit. Evident or concealed damage made in transit should be reported at once to the delivery carrier and a claim filed with them.

The Company reserves the right to change or modify the operation, design, components and description of this system without notice.

PowerBlaster LED Strobe

Model: HC1200BS Eliminator 96 LED PowerBlaster Strobe
With Built-in RCA Triggering Input

General Description

The HC1200BS is a unique, logic triggered, compact but powerful strobe unit that can be synchronized to the HC1410/14/16/17 PowerBlaster systems.

This Strobe is triggered via an RCA connector on the back. The connector is fully isolated from the mains supply. The LEDs flash on a contact closure across the RCA connector terminals.

Features:

- Industrial Quality
- Very Rugged
- RCA Plug Interface
- Long-Life LED Lighting

Index:

Safety Precautions	1
General Description	1
Warranty	2

Back Panel Interface

The back panel has the RCA connector and an ON/OFF switch and power cord.

Slave Operation

It is possible to trigger more than one strobe from the same piece of equipment. To do this, a Y-splitter and an additional RCA trigger cable is required. (Not included, but available from any audio supply store.) Simply connect the second strobe in parallel with the first. Up to 4 strobes can be wired in this manner.

To test the HC1200BS strobe function simply short the end of the trigger cable. The strobe fires in ~8ms flashes.

Safety Precautions

- DO NOT alter or remove labels.
- In-Door Use Only! - Keep dry.
- DO NOT connect to devices supplying power to the RCA plug.
